Platform to connect underclassmen and upperclassmen

- New Idea!
- Weekly/monthly google meets for upperclassmen to give advice to underclassmen
- Ideas:
 - Classes
 - Atholton Student Life (clubs, activities, sports)
 - College Applications
 - Adjusting to new environments
- Basically being a mentor to new students that are still adjusting
 - Similar to Peer-Mentor program

Logistics?

- Still figuring it out so feel free to give suggestions or ideas
- Teacher would supervise
 - Students would sign up beforehand and list their preferred topic to be discussed (ex: classes or general knowledge of Atholton)
 - Google Forms and such
 - Then, NHS members will have the option to sign up for that meeting based on their preferences and knowledge
- Yay/Nay? When? What day? How often?
- Volunteers?
