

The background is a dark, textured surface with a golden glow. It is decorated with numerous small, bright gold stars and larger, multi-pointed starburst patterns resembling fireworks. Two gold ribbons are visible: one on the right side, curving upwards, and another on the bottom left, curving downwards.

# Welcome to NHS

Please sign in using our website! We will be beginning shortly :)

# Food on the 15th

## What We do:

We collect donated non-perishable food items and deliver them to low-income older adults in Howard County

## Our Motivation:

Hundreds of low-income older adults in Howard County don't have enough healthy food to eat. Our program participants often live on social security checks, which often run out by the middle of the month.

## What you can do

- Donate food
- Help deliver and sort when needed
